**NANNY ADMITS AFFAIR WITH JON**  
 HE'S WORSE THAN YOU THINK:  
 • They had sex while the kids were sleeping  
 • His dramatic threat to end it all  
 • His wild partying and pot smoking  
 PLUS Kate's jury: "Get out of my house!"

**SERENA'S SPEEDY SKIN CARE**

"Whether on the court or the red carpet ... I don't have a second to waste!" says **Serena Williams**.

Which is why she helped create Mission Skincare for the modern gal-on-the-go. The three-in-one Active Daily facial cleanser was the tennis star's feel-fresh fix between Wimbledon and US Open matches. With no water needed, the smart beauty solution works to cleanse, hydrate and tone in just 90 seconds, making it the perfect gym bag must-have! \$40, hsn.com.

**Precious PENDAI**

Hollywood stars are falling for a new BFF keepaake. Celebrity favorite of Smith is reviving the necklace-short two-part angel-wing design. Femi, Conrad and Lo Bosworth, as well and Samantha Ronson, have had into the wings before splitting the p 90270's AnnaLynne McCord gave of her sisters. \$85-\$95, justasmthd
